Alternative route to avoid the toll road
This only adds a few minutes to your travel time

1. Take the Pietersburg highway (N1) towards Pietersburg (North)
2. Take the Pretoria / Witbank off ramp into Pretoria
Reduce your speed to match the speed limit boards (Permanent cameras on this road and at traffic lights) and keep in the far right lane.
3. **At the second traffic lights** where Investment cars are situated, **turn right** into **Duncan Street**, keep to the left lanes so that you may continue to drive forward over the traffic lights. (Towards Queenswood / M7N)
4. Continue on this road, which becomes Gordon and then Stead, over a railway bridge, over Michael Brink (traffic lights) to the mini circle
(Keep to the 60Km speed limit on these roads - frequent cameras / traffic light cameras)
5. Turn left at the small traffic circle into Terblanche street.
6. Third road turn right into 32nd Avenue.
7. The house will be on your left approximately 3/4 of way down this road
585 32nd Avenue
